

Refer a Paediatric Nurse to us and earn £500!

Our Paediatric division has new and exciting full and part time opportunities available throughout the UK.

If you know an experienced Paediatric Nurse who is able to deliver high quality complex care to chronically sick children within the community then let us know about them.

Once your recommended friend has worked 100 hours within 12 weeks of registering we will reward you with £500!

Simply complete the enclosed form or call us now on
