

Advantage HealthCare Needs YOU

Healthcare Assistants and Support Workers £ 9.49 - £13.80 Per hour depending on location, client and shift

We have a wide range of opportunities available across the country for Healthcare Assistants with Paediatric Experience to work within the community caring for children with a variety of complex needs. Assistance with personal care, play and stimulation therapy, tracheostomy care and parenteral feeding will be required.

Applicants will be working autonomously within the community and require excellent communication skills and have the ability to prioritise their care effectively. This is a rewarding opportunity for the right individual giving you the ability to provide high quality, holistic focused care.

All of our nurses receive ongoing support through out in-house supervisions, peer group meetings and regular appraisals.

We can offer you:

- Excellent weekly pay rates
- £500 Recommend a Friend scheme*
- Ongoing training and holiday pay
- Flexible working hours to suit you.

We would love to hear from you so please contact our Recruitment Team on
